

Dugree

Certificate of Completion

September 26, 2024

Ajay Sundaran

This is to certify that you have successfully completed the Dugree AI Research Internship (AI Journal Club Program) from **June 24, 2024** to **September 24, 2024**.

Throughout this internship, you demonstrated exceptional dedication, engagement, and skill in conducting and presenting research on critical issues in machine learning. Your work in converting research from conversation theory and conflict resolution into LLM-powered agents significantly contributed to our mission of fostering healthy, unbiased discourse.

Your commitment to exploring complex and challenging topics has been instrumental in pushing the boundaries of our understanding in these fields. You not only thoroughly reviewed and analyzed academic literature but also applied these insights to develop innovative AI solutions. Your ability to bridge theoretical research with practical implementation has been invaluable in advancing our goals.

We applaud your steadfast dedication and exemplary effort, which have profoundly advanced our objectives and furthered our pursuit of fostering meaningful and balanced discussions on challenging subject

Yours,

Adam Boaz Becker
